**23RD**  
**SCHOOL RE-OPENS**  
**ON TUESDAY 3RD**  
**NOVEMBER**  
**HAVE A GREAT**  
**BREAK!**

Would you like to become a **parent governor** and have your say in how our school is run?

We want you to join our team!  
Please contact Head teacher Celia Wright

### Autumn is here!

**Lots of children across school have enjoyed a visit to Houghton Feast this half term.**

**They enjoyed exploring the fair ground and of course testing out some of the rides!**

**A great time was had by all.**

### **Worlds biggest Coffee Morning!**

Thanks to staff, parents and children who helped us bake cakes (and eat them) to raise money for Macmillan Cancer Support. We raised a massive **£308!**

### **Open Evening**

Thank you to all parents who joined us for another successful open evening.

If you were unable to attend please contact your child's class teacher to arrange a suitable date and time.

### **SAFC SENSORY ROOM**

Sunderland AFC have become the first Barclays Premier League club to build a designated sensory room for supporters who are affected by the noise levels of the stadium seating areas. The room is called the Nathan Shippey Sensory Room, named after a pupil at Sunningdale who is an avid SAFC fan and whose parents campaigned for the project. The one of a kind project, was constructed during the summer, following a series of meetings between Sunderland's supporter

liaison officer, Chris Waters, Mr and Mrs Shippey and our Assistant Head Teacher, James Waller, who advised on the set-up of the room. The room is located in the Black Cats Bar and tickets are subject to availability. **If you are interested in using this sensory room this season please contact Chris Waters, Supporter Liaison Officer, [chris.waters@safc.com](mailto:chris.waters@safc.com)**
