Happy Birthday Queen Elizabeth II!

In April all classes enjoyed celebrating the Queen's 90th Birthday. We made crowns, flags and had tea parties in the garden!

TSB Volunteers

A big thank you to the staff of TSB who raised the fantastic amount of £689.32 for our school at their recent fundraising event. Having selected Sunningdale School as their chosen charity for 2015/16, Sharon Bowman and her team have been working hard all year to raise funds which will be used to improve resources in our outdoor areas. As well as raising all of that money, Sharon and a team of volunteers even came into school to offer their services as painters and decorators. The Key Stage 1 outdoor learning environment has never looked so colourful!

Come along for a coffee and a chat with other parents, carers and family members.

**Monday 1.30pm &
Friday 10am**

This half term visitors to coffee morning have included Donna from 'Life Live Well'.

Healthy Minds

A big well done to those parents and children who have taken part in a five week 'Healthy Minds' course with SAFC Foundation of Light! Watch this space for further courses and events!

In May all classes were involved in a 'Brushathon' as part of our work towards achieving the 'Healthy Teeth Award'.

If you would like advice on dental health please contact Michelle Simpson at school or see the information on our school website.

Congratulations!

Well done to James Waller who has recently been promoted to 'Deputy Headteacher' here at Sunningdale School.
