## SUMMER 2: 2014

### CLASS OF 2014

We have 10 'leavers' this year. The majority will be moving to Portland Academy with one transitioning to Barbara Priestman.

We wish them 'Good Luck' for the future and although they will be missed, we are confident that they are ready for the next phase in their lives.

Year 6 parents and Governors will be joining us on Friday for a special leaver's assembly.

**SUMMER BREAK**  
THE SCHOOL WILL  
CLOSE ON FRIDAY JULY  
18TH AND RE-OPEN  
AGAIN ON TUESDAY  
SEPTEMBER 2ND.

**WISHING EVERYONE A  
SUNNY BREAK!**

### ABSENCES

If your child needs to be absent from school due to illness or an appointment please remember to telephone school and let us know. Failure to do this may result in an absence that is unauthorised. If you can, please bring your child back to school after an appointment.

### FOOTBALL CRAZY

Sunningdale now has its very own football team with our own strip kindly donated by sponsors.

Boys and Girls from Key Stage 2 have been training hard each Friday and had their first competitive match this term against Hexham Priory School. Although we lost it was close and the children played very well.

We are looking forward to a re-match next term.

### SEARCH FOR A STAR

A group of older pupils had fun last week participating in the Special School's 'Search For a Star' competition.

The children performed 'Wild Thing' to an enthusiastic audience and were thrilled to achieve 2nd place.

Well done to everyone who took part!

### WEB SITE

Sunningdale School now has a brand new revamped website.

Why not have a look and find out more about the school.

Watch out for our new 'blog' run by Kate Shippey one of our Parent Governors.

### GOODBYE

To Gill Berry and Pauline Askins who will be leaving us at the end of term. They have given many years service and made a difference to countless children over the years. We wish them both well in whatever they choose to do.

### PARENTS EVENING

Thank you to all parents/carers who joined us to hear about their child's progress recently. New class information for September 14 was also available.

### SATURDAY HYDRO

AVAILABLE EVERY SATURDAY  
AFTERNOON DURING TERM TIME.  
TELEPHONE SCHOOL TO BOOK  
YOUR SLOT EACH MONDAY  
BETWEEN 9.30-11.30AM.

### BASIC SKILLS

We are proud to announce that we recently achieved the Basic Skills Quality Mark. This is ratification of our outstanding practice in numeracy, literacy and ICT across the school.
