

CHILD PROTECTION POLICY

Purpose and Aim

Sunningdale School's whole-school Child Protection Policy aims to provide clear direction to staff and others about expected codes of behaviour in dealing with child welfare concerns. The policy also aims to make explicit the school's commitment to the development of good practice and sound procedures to keep children safe in our school.

The purpose of the policy is, therefore, to ensure that our children's welfare is of paramount importance, early and additional help is offered to prevent escalation and where child protection concerns are identified referrals are handled sensitively, professionally and in ways that support the needs of the child's well-being.

Governors and staff are committed within Sunningdale School to keeping children safe by safeguarding and promoting the welfare of children in our care through all our policies, procedures and practices. We expect all our pupils' parents and visitors to share this commitment and understanding.

Introduction

Sunningdale School fully recognises the contribution it can make to keeping children safe and supporting the pupils in its care. There are four main elements to Sunningdale School's Child Protection Policy:

1. **Prevention** (positive school atmosphere, careful and vigilant teaching, pastoral care, support to pupils, providing good adult role models and the identification of early and additional support/services to children and families and recognising and reducing risks to children including harassment, bullying, victimisation, exploitation, radicalisation and issues such as Honour Based Violence, Female Genital Mutilation and Forced Marriage.)
2. **Protection** (following agreed procedures, ensuring all staff respond appropriately and sensitively to child protection concerns and that every member of staff has regular training and updates at least annually and are supported to refer their concerns to the Designated Safeguarding Lead Celia Wright (HT) or Deputy Designated Safeguarding Lead James Waller (DHT) or the [Integrated Contact and Referral Team \(CSN 0191 520 5560\)](#) directly IF NECESSARY. In certain specific cases such as Female Genital Mutilation (Mandatory reporting of FGM from October 2015), Radicalisation or Forced Marriage there are SPOCS/named teams and individuals within the police who can be contacted).
3. **Reconsideration** (following and challenging the progress of new referrals and existing cases to ensure that individual cases are reconsidered if there remains no improvement to a child's circumstances).

4. **Support** (to pupils and school staff and to children who may be vulnerable due to their individual circumstances).

All Staff have a responsibility to recognise child abuse, neglect and peer on peer abuse in its many forms. Additional guidance on how our school supports the following areas of need, additional need or harm are either hyperlinked to the areas identified below from Keeping Children Safe in Education, 2016 or there is a named school policy. This policy applies to Sunningdale School's whole workforce.

Framework and Legislation

No school operates in isolation. Keeping children safe from significant harm is the responsibility of all adults especially those working with children. The development of appropriate procedures and the monitoring of good practice are the responsibilities of Sunderland Local Safeguarding Children Board, which

includes the partnership of several agencies who work with children and families across the City.

Sunningdale School is committed to keeping children safe and safeguarding all children in accordance with Child Protection: Sunderland Local Safeguarding Children Board procedures www.sunderlandscb.com and partner agencies in all cases where there is a concern about significant harm.

Significant Harm is defined in The Children's Act 1989 as the ill-treatment (including sexual abuse and physical abuse) or the impairment of health (physical or mental) or development (physical, intellectual, emotional, social or behavioural) as compared to a similar child.

Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill treatment of another person.
(*Adoption and Children Act 2002*)

Local Authorities have a duty to investigate (under S47 of the Children Act 1989). Where a Local Authority is informed that there is a child who is living, or is found, in their area and they have reasonable cause to suspect that child is suffering or is likely to suffer significant harm they must make such enquiries as necessary to promote or safeguard the child's welfare. Together for Children through the Integrated Contact and Referral Team undertakes this responsibility on behalf of the Local Authority once a referral has been made.

Keeping Children Safe in Education September 2016 contains information on what schools and colleges **should** do and sets out the legal duties with which schools and colleges **must** comply. It should be read alongside Working Together to Safeguard Children 2015 which applies to all schools, including maintained nursery schools. The Children Act 1989 sets out the legal framework.

Roles and Responsibilities For All Staff

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as: protecting ALL children from maltreatment and abuse; (including in addition to the four categories of harm, issues such as child sexual exploitation (CSE), Honour Based Violence (HBV) inclusive of Female Genital Mutilation (FGM) and Forced Marriage, preventing radicalisation and extremism, harassment, bullying and victimisation) preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes. This includes everyone under the age of 18.

Everyone who comes into contact with children and their families has a role to play in safeguarding children. Due to the regular contact with children all staff at Sunningdale School have, we hold a particularly important role in safeguarding as we are in a position to identify concerns early, provide help for children and to prevent concerns from escalating. Children can make disclosures or show signs of abuse at any time and to any individual and safeguarding incidents can occur within schools. Therefore it is important that ALL staff:

- Ensure that they listen to and reflect on the voice of the child at ALL times and take seriously any concerns raised to them by a child.
- Ensure that they report ANY concerns of harm to any child to the Designated Safeguarding Lead immediately. (However, ALL staff can refer their concerns directly to the Integrated Contact and Referral Team if necessary and the police in the stated incidents above. They should inform the Designated Safeguarding Lead as soon as possible if they have reported concerns directly).
- Ensure that they immediately share with the Designated Safeguarding Lead information shared with them by a child or directly observed/witnessed and record it. This could include sharing information on behalf of the Designated Safeguarding Lead with other agencies. All discussions, decisions and reasons for them should be recorded in writing adhering to Sunningdale School's Recording and Information Sharing Policy/ Procedure.
- Ensure that they maintain an attitude of **'it could happen here'** and report any concerns regarding the behaviour of a child/an adult/staff member in school directly to the Designated Safeguarding Lead/Headteacher.
- Ensure that they feel able to raise concerns about poor or unsafe practices of staff and potential failures in the school's safeguarding regime through whistleblowing procedures and the staff behaviour/code of conduct policy.
- Ensure that they attend regular formal training/updates at least annually to support them in recognising the signs and symptoms of abuse, particularly in support of early identification of needs of children to prevent an escalation of need or risk to the child.
- Ensure from the 1st July 2015 for schools, (or 18th September 2015 for Colleges) that under the Counter Terrorism and Security Act, April 2015, that the school has 'due regard to Prevent' and to assess risk of children and young people being radicalised drawn into extremism (based upon potential risks in local area and that clear protocols are in place for all visitors so that their views are appropriate and not an opportunity to influence others).
- Ensure from October 2015 that there is mandatory reporting to the police in all cases where teachers discover that an act of FGM appears to have been carried out.
- Ensure that they understand through online safety training the additional risks for pupils online and continue to promote the School's Online Safety Policy in the protection of all pupils. It should be clear in every school's online safety policy, the expectations of pupils regarding their own devices whilst on school site and the consequences of any evidence of inappropriate use of the internet.
- Ensure that they remain vigilant whilst visitors are on site and continue to promote the school's commitment to keeping children safe through reminding visitors and parents of the school's appropriate use of personal mobile phones/devices whilst they are on school premises. This includes staff understanding and adhering to the Staff Behaviour Policy inclusive of use of mobile phones and electronic devices.

Sunningdale School will work with social care, the police, health services and other services to promote the welfare of children and protect them from harm.

The Designated Safeguarding Lead

Sunningdale School has appointed from our SLT Celia Wright (HT) to be our Designated Safeguarding Lead. This person has the overall responsibility for safeguarding and child protection and has the appropriate authority and training to undertake such a role and is able to provide advice and support to other staff on child welfare and child protection matters. This person is able to take part in strategy discussions and inter agency meetings and to support other trained staff to do so as well as contribute to the assessment of children.

Role of the Designated Safeguarding Lead

At Sunningdale school we have appointed the following Deputy Designated Leads James Waller (DHT), Charlotte Beatty (AHT), Jan Patterson (Parent Partnership Advisor) who are part of the safeguarding team. These individuals are trained to the same standard as the Designated Safeguarding Lead. Whilst the activities of the Designated Safeguarding Lead can be delegated to appropriately trained deputies the ultimate LEAD RESPONSIBILITY for child protection will not be delegated and remains with the Designated Safeguarding Lead.

The Designated Safeguarding Lead has a very detailed role, (see below)

However, if there is an IMMEDIATE safeguarding concern and the Designated Safeguarding Leads are unavailable please seek immediate support via the Integrated Contact and Referral Team (0191 520 5560).

The broad areas of responsibility for the Designated Safeguarding Leads are identified here:

Manage referrals

- Refer cases of suspected abuse to the Integrated Contact and Referral Team.
- Refer cases to the Disclosure and Barring Service (cases where a person is dismissed or left due to risk/harm to a child); and/or
- Refer to the Police (cases where a crime may have been committed including Sexual Exploitation (MSET lead), Radicalisation (through the Single Point of Contact for the Channel Panel) or Female Genital Mutilation and Forced Marriage.
- Support staff who make referrals to the Integrated Contact and Referral Team, Channel Panel or Police as appropriate.

Work with others

- Liaise with the Headteacher or Principal to inform them of issues, especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations.
- As required liaise with the case manager (Headteacher, Principal, or where the Headteacher or Principal is the subject of the allegations the Chair of Governors, Chair of Management Committee or Proprietor of an Independent School) and the Designated Officer through Together for Children, operating on behalf of the Local Authority for child protection concerns (all cases which concern a staff member)
- Act as a source of support, advice and expertise to staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies.

Undertake Training

The Designated Safeguarding Lead and any deputies should receive appropriate training updated every two years. They should undertake Prevent awareness raising and in addition to the formal training their knowledge and skills should be refreshed at regular intervals, but at least annually, so they:

- Understand and keep up with any developments to their role
- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments.
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so.
- Ensure each member of staff has access to, and understands, the school or colleges Child Protection Policy and procedures, especially new and part time staff.
- Be alert to the specific needs of children in need, those with special educational needs and young carers.
- Be able to keep detailed, accurate and secure, written or electronic records of concerns and referrals.
- Understand and support the school or college with regards to the requirements of the Prevent duty and be able to provide advice and support to staff on protecting children from the risk of radicalisation.
- Obtain access to resources and attend any relevant or refresher training courses.
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school or college may put in place to protect them.

Raise Awareness

The Designated Safeguarding Lead should ensure the school or college's policies are known understood and used appropriately:

- Ensure the school or colleges Child Protection Policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors and the workforce in this regard to ensure its effectiveness. This includes ensuring that all staff receive the policy on their induction.

- Ensure the Child Protection Policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school or college in this.
- Link with the Sunderland Safeguarding Children [Board](#) to make sure staff are aware of training opportunities and the latest local policies on safeguarding.

Child Protection File

- Where children leave the school or college ensure their child protection file is transferred appropriately for any new school or college as soon as possible but transferred separately from the main pupil file. Ensuring secure transit and confirmation of receipt. This may be through an electronic system.

Availability

- During term time the Designated Safeguarding Lead (or a deputy) should always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns.
- Whilst generally speaking the Designated Safeguarding Lead (or deputy) would be expected to be available in person, it is a matter for individual schools and colleges, working with the Designated Safeguarding Lead, to consider whether in exceptional circumstances availability via phone and or Skype or other such mediums is acceptable.
- The designated safeguarding lead and school should arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.

Taken from Keeping Children Safe in Education, 2016: Annex B

In addition, PG: Safeguarding First Ltd recommend as best practice that the Designated Safeguarding Lead's:

- Ensure each member of staff has access to and understands the school's suite of safeguarding policies particularly the Child Protection Policy and the Staff Behaviour Policy, especially new or part-time staff who may work with different establishments.
- Be aware of all school excursions and residentials and clarify with educational visit co-ordinator/group leader(s) their role and responsibility in connection with safeguarding/child protection.
- Ensure a whole school policy about managing behaviour and discipline including the use of reasonable force, is in place.
- Ensure an effective whole school policy against bullying/cyber-bullying inclusive of measures to prevent all forms of bullying among pupils, is in place.

- Inform LA of any pupil to be deleted from school admission register and follow missing from education protocols
- Inform the LA of any pupil who fails to attend school regularly, or has been absent without schools permission for a continuous period of 10 days or more.

Responsibilities of Sunningdale School's Governing Body

Best practice would advise that a Safeguarding Governor at senior board level is appointed to support the Designated Safeguarding Lead in their role.

At Sunningdale School the senior lead Governor/board member for safeguarding is Carolyn Taylor and Kate Shippey.

The role of these individuals is to:

- Ensure that the allocation of funding and resource is sufficient to meet the current safeguarding and child protection activity and challenge the safeguarding activity.
- Ensure the self-assessment tool and Designated Safeguarding Lead report demonstrates fully and accurately the safeguarding arrangements and any action to progress areas of weakness or development.
- Ensure that the governing body receives training to clarify their statutory role in keeping children safe to support their quality assurance of those statutory arrangements.

If the Safeguarding Governor is NOT the Chair of Governors it is important to indicate the role of the Chair in Safeguarding, which is to:

- Ensure that they liaise with Together for Children operating on behalf of the local authority and/or partner agencies on issues of child protection and in the event of allegations of abuse made against the Headteacher, the Principal of a college or proprietor or member of governing body of an independent school.
- Ensure that in the event of allegations of abuse being made against the Headteacher, where the Headteacher is also the sole proprietor of an independent school, allegations should be reported directly to the Designated Officer (DO). Therefore ensuring effective whistleblowing procedures are in place.
- Ensure that the appointed member of the Governing Body for Safeguarding holds the Headteacher to account on all matters involving safeguarding through an effective Child Protection Policy that is embedded and followed by the entire workforce in all of the above raised areas.
- Ensure that all staff undergo safeguarding training at induction and that they receive regular updates.

- Ensure that the school has appropriate filtering and monitoring systems in place for online content (inclusive of 3 and 4G).
- Ensure that children are taught about safeguarding through Personal, Social, Health and Economic Education (PSHE) and/or Sex and Relationships Education.
- Ensure that a designated teacher is appointed to promote the educational achievement of looked after children, including working with the Local Authority's virtual school Headteacher and discuss how pupil premium funding for looked after children will be used.

Information for Parents

At Sunningdale School, Governors and staff are committed to keeping our children safe and will take any reasonable action to safeguard and promote their welfare. In cases where the school has reason to be concerned that a child maybe suffering significant harm, ill treatment, neglect or other forms of harm, staff have no alternative but to follow Sunderland Safeguarding Children Board procedures and inform the Integrated Contact and Referral Team or police of their concern.

Procedures

The Designated Safeguarding Lead (or deputy DSL) will be informed immediately by an employee of the school, pupil of the school, parent of the school or other persons, in the following circumstances:

- Suspicion that a child is being harmed
- There is evidence that a child is being harmed

The threshold of significant harm is defined in the Children Act 1989 Section 31 (9) as:

- Ill-treatment
- Impairment of health (as compared to a similar child)

Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill-treatment of another person (Adoption and Children Act 2002).

Working together 2015 defines the categories of harm as:

Physical Abuse

A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child.

Neglect

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

Neglect may occur during pregnancy as a result of maternal substance misuse. Once a child is born, neglect may involve a parent or carer failing to provide adequate food and clothing, shelter including exclusion from home or abandonment, failing to protect a child from physical and emotional harm or danger, failure to ensure adequate supervision including the use of inadequate care-takers, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Sexual Abuse

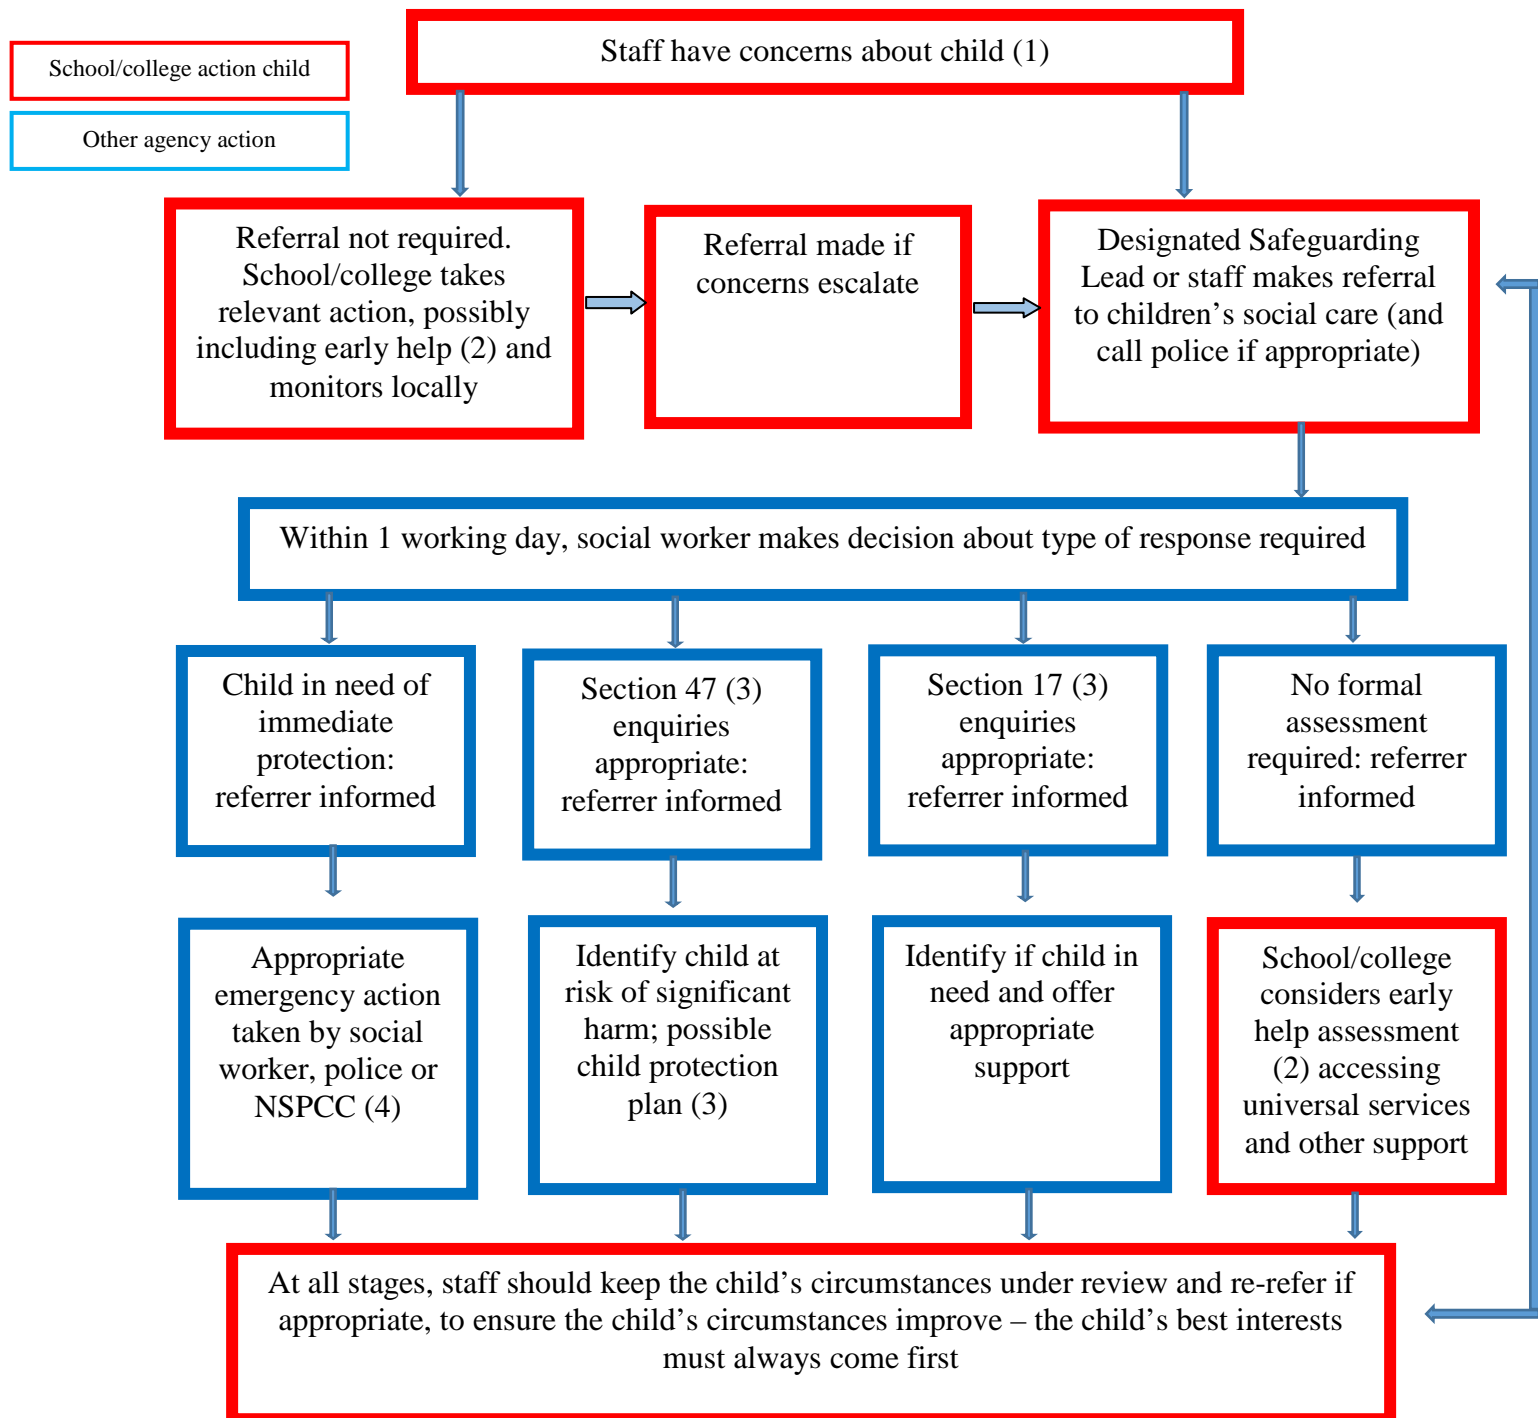

Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Emotional Abuse

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child though it may occur alone.

The Designated Safeguarding Lead will keep a full record of concerns raised and make referrals to the Integrated Contact and Referral Team, if necessary. These records may be either handwritten or electronic but will be stored via a secure system. The Headteacher will be kept informed at all times.

Actions where there are concerns about a child

1. In cases which also involve an allegation of abuse against a staff member, see Part Four of this guidance
2. Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, and early help inter-agency assessment should be arranged. Chapter One of [Working Together to Safeguard Children](#) provides details guidance on the early help process
3. Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. This can include s17 assessments of children in need and s47 assessments of children at risk of significant harm. Full details are in Chapter One of [Working Together to Safeguard Children](#)
4. This could include applying for an Emergency Protection Order (EPO)

Safe Schools/Safe Staff

Governors have agreed and ratified the following policies, procedures, processes or systems which must be read and considered in conjunction with this policy:

Whistle blowing/confidential reporting

Sunningdale School's Whistle Blowing/Confidential Reporting Policy provides guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken, when staff have concerns about any adult's behaviour.

Complaints / Allegation Management Towards or with a Child or Adult

A Safeguarding complaint involving a member of staff must be reported to the Headteacher immediately. Where there are concerns about the Headteacher or Principal, this should be referred to the chair of governors, chair of the management committee or proprietor of an independent school as appropriate. Staff may consider discussing any concerns with the school's designated safeguarding lead and make any referral via them. (KCSIE, 2016: pg 9)

Consultation without delay with the Designated Officer - Jane Groom Tel: 0191 561 3901 will determine what action follows. A multi-agency strategy meeting may be arranged to look at the complaint in its widest context, the Headteacher/senior member of school staff must attend this meeting, which will be arranged by the Designated Officer. All issues must be recorded on the allegation management form and the outcome reached must be noted to ensure closure.
www.sunderlandscb.com

Training and Support

All staff members should be aware of the systems within their school or college which support safeguarding and these should be explained to them as part of their induction into the school to ensure they can discharge their responsibilities effectively. This includes: The Child Protection Policy; Staff Behaviour Policy (sometimes called a code of conduct); Safer Working Practice Document and the Names of the Designated Safeguarding Lead and their deputies.

All staff members receive appropriate safeguarding and child protection training which is regularly updated. The governing body decide the frequency and content of this CPD. At Sunningdale school our whole school training is held annually. In addition, all staff members receive regular safeguarding and child protection updates via staff meetings held and through internal CPD as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively and allow them opportunities to contribute to reviewing and shaping the safeguarding arrangements.

Professional Confidentiality

Confidentiality is an issue which needs to be understood by all those working with children, particularly in the context of safeguarding. Sunningdale School recognises that the only purpose of confidentiality in this respect is to benefit the child.

(Child Protection Sunderland Local Safeguarding Children Board procedures www.sunderlandscb.com).

Record Keeping

Well-kept records are essential to good safeguarding practice. Sunningdale School is clear about the need to record any concerns, discussions held, decisions made and reasons for those decisions about a child or children within its care. All staff will follow the schools Information Sharing and Recording Policies to ensure recording keeping is compliant.

Safeguarding recording within Sunningdale school is held electronically through a secure management system of CPOMS and all relevant staff have received training in the recording expectations and retention. Following a child leaving our school we follow the appropriate transfer procedures and retention guidelines. At Sunningdale School/Setting we started electronic recording from September 2016 All recording prior to this is in paper format. Retention guidelines are followed accordingly.

Attendance at Safeguarding Conferences

In the event of Sunningdale School being invited to attend child protection conferences, the Designated Safeguarding Lead or deputies), will represent the school and/or identify the most appropriate trained member of staff to provide information relevant to child protection conference (initial/review). In the event that those staff members cannot attend, the following trained members of staff may attend (Jan Patterson)

Supporting Children

Sunningdale School recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and to view the world in a positive way. Sunningdale School may be the only stable, secure and predictable element in the lives of some of the children in its care. The school, therefore, recognises that such children might exhibit challenging and defiant behaviour and will take careful note of the context of such behaviour.

As an Operation Encompass partner we work closely with the (Operation Encompass Leads: Celia Wright/James Waller) with regards to domestic violence incidents and offer wellbeing checks to our pupils if we are contacted following an incident which has occurred in one of our pupils homes.

Sunningdale School also recognises that children are capable of abusing their peers. Peer on peer abuse can take many forms and any concerns raised will be investigated and dealt with appropriately. No peer on peer abuse should be tolerated or minimised as part of growing up and all those involved will be provided with an appropriate level of support. It is understood that those pupils who have experienced abuse in their own lives may in turn abuse others. This requires a considered and sensitive approach in order that the child can receive appropriate help and support. See Peer on Peer abuse policy for detailed information.

Therefore Sunningdale School will endeavour to support all its pupils through:

- The curriculum to encourage self-esteem, self-motivation, self-protection.

- The school ethos, which promotes a positive, supportive and secure environment and which gives all pupils and adults a sense of being respected and valued.
- Approaches which allow children and young people to develop critical thinking, literacy skills and digital literacy skills.
- A curriculum which explores human rights, equality, democracy and tolerance and prepares children and young people fully for life in modern Britain.
- A coherent management of Behaviour and Discipline Policy & Procedures inclusive of the Use of Reasonable Force.
- Liaison with other professionals and agencies who support children and parents.
- A commitment to develop productive, supportive relationships with parents whenever it is in the child's interest to do so.
- The development and support of a responsive and knowledgeable staff group whose role it is to respond appropriately in all safeguarding situations.

Sunningdale School recognises that, statistically, children with behavioural difficulties and disabilities are the most vulnerable to abuse. School staff who work, in any capacity, with children with profound and multiple disabilities, sensory impairment and/or emotional and behavioural problems will need to be particularly sensitive to signs of abuse. School staff must give consideration to children who are subject to a statement of special needs, an education health and care plan or have a medical condition, as these can mask safeguarding issues and must not be dismissed.

Sunningdale School also recognises that in a home environment where there is domestic violence, drug or alcohol misuse or mental health issues children may also be vulnerable and in need of support and protection.

This policy **MUST** be read in conjunction with other related policies in school.

These include:

- **A Robust School Recruitment and Selection Policy** - inclusive of safer recruitment guidance and regulation, for example a **Single Central Record** which demonstrates the pre-employment vetting checks for all staff (e.g. identity, professional qualifications, right to work in the UK, further checks on people who have lived or worked outside the UK including recording checks for those EEA teacher sanctions and restrictions), for the workforce who are in regulatory activity (enhanced DBS, children's/adult barred list, prohibition from teaching check, section 128 check) and supervision of those who don't meet this requirement.
