

## Child Missing from School Policy

All staff must be aware of the procedures to be followed if a child goes missing without staff knowledge whilst in the care of the school. This can be a very stressful time for all concerned. Every care is taken to ensure that all children are kept safe. Risk assessments are carried out to ensure that the school and setting is as safe as possible and children should never be allowed to leave the premises on their own. It is possible, however, that despite all precautions a child cannot be accounted for and goes missing. This policy is designed to put in place swift and effective actions to locate any missing child and to notify and involve parents and the authorities at every appropriate point.

### Preventative Procedures

- Systems must be in place to ensure that children do not go missing. This includes ensuring that all external exits are kept closed.
- All fire doors leading to external un-fenced areas must be secured as advised by health and safety/fire safety professionals.
- Children must be made aware of the boundaries of the school.
- Children must be supervised at all times and there will be sufficient staff available to ensure this happens.
- Head counts should take place regularly through the day and particularly when a class is out of the classroom and when they return.
- Parents/carers must inform the teacher and Office Staff if they bring their child into school or collect their child at times other than normal start and finish times.
- Children will not be allowed to leave the school with anyone other than the authorised persons unless the school has been informed otherwise and that alternative person is identified.
- Any visitors to school will be signed in and out. They must be let into the school by a member of staff; also seen off the premises by a member of staff to ensure that no doors are left open and the safety of the children is maintained.

### Reactive Procedures

- If a child cannot be found by their teacher/CSW/lunchtime TA, **the Headteacher (Deputy HT or Assistant HT) must be notified immediately and informed when and where the child was last seen.** Time is of the essence and prompt action must be taken by all.
- The remaining children will be left in the care of a suitable adult(s). All other staff will conduct a thorough search of the premises (child's classroom, storage areas, toilets, the school building) and the school grounds, with the staff team being careful not to create an atmosphere of panic.
- The Headteacher/Deputy HT/Assistant HT will nominate two staff, to search the area in the immediate vicinity of the school. All staff will be extra vigilant to any potentially suspicious behaviour or persons in and around the school site.

- If after 10 minutes of thorough searching, the child is still missing, the police must be called by the Headteacher/Deputy HT/Assistant HT
- If the child is not found in the school, the child's parents/carer will be contacted by the Headteacher/DHT/AHT and informed of the situation.
- While waiting for the police and the parent /carer to arrive, searches for the child will continue. During this period, the other members of staff will maintain as normal a routine as possible for the rest of the children in the school.
- The Headteacher/DHT/AHT will be responsible for meeting the police and the missing child's parent/carer. The Headteacher/DHT/AHT will be responsible for co-ordinating any actions instructed by the police and do all they can to comfort and reassure the parents/carers
- The LA will be notified by the Headteacher/DHT/AHT that a child is missing, so that additional support can be provided. The Chair of Governors and the nominated safeguarding Governor will also be informed as soon as is practicable.
- If a member of staff finds the child, the Headteacher must be told at once. Parents, police and other authorities will be notified.
- Once the situation has been resolved, an investigation will be undertaken and a full written account of the incident will be recorded and held on file.
- If required LADO will be informed.
- Further risk assessments will be carried out to ensure that the incident does not happen again with any recommended remedial action implemented.

### **Out of School Visits**

- When a group of children is taken out of school, risk assessments must be completed in advance (at least 1 week ahead of visit) and checked by the EVC Co-ordinator.
- A list of children and staff undertaking the external visit will be left in the school office.
- A list of children must be carried by staff on the visit.
- Regular head counts will be undertaken by staff.
- Adult: pupil ratios will be in line with those outlined in the Educational Visits Policy.
- A school mobile phone will be taken on all visits.
- If a child goes missing the other children will be gathered together and a member of staff assigned to look for the child. An urgent but thorough search should be made of the immediate vicinity.
- If in an enclosed space, the appropriate staff in that environment can be initially informed before calling the police, for instance to give a message over a tannoy.
- The Headteacher must be informed immediately, so that the parents/carers can be informed.
- If the child is not found immediately, the police must be contacted in the area where the visit is taking place.
- If a member of staff finds the child, the Headteacher must be informed at once. Parents, police and other authorities will be notified.
- The Headteacher will investigate how the incident occurred and will take appropriate action to ensure that similar events do not happen again.

**This policy will be reviewed biannually or sooner if there are any changes in legislation or the need arises.**
