<u>Curriculum focus of PPG spending (academic year)</u>
<ul style="list-style-type: none">• PIVATS data was used to identify the area of need for each individual child receiving FSM. Each child on FSM had at least one area that was a focus to narrow the gap. This was identified by the lowest scores or where they have not achieved past targets.• The area of Maths has been identified as a whole school area of focus

- **Individual pupil targets have been identified as a focus**
- Information from level of each child and what they needed to achieve was analysed in terms of resources, staffing, strategies.

Measuring the impact of PPG spending

- **Music lead and curriculum lead to monitor impact and report back to SLT and Teachers Group.**
- **Children made progress towards communication targets in PLP.**
- **Children made progress in meeting identified targets (baseline-termly tracking)**
- **Termly data used to measure impact of individual interventions for targeted children.**
- **Children made progress in meeting identified targets (baseline-termly tracking)**
