

Sunningdale School

Use of the Hydrotherapy Pool

It is hoped that your child will be able to use the pool on a regular basis.

School staff and the physiotherapist are trained to enable them to supervise the activity and on many occasions we have parents or other volunteers who come in to give additional support.

We would be grateful if you could provide appropriate swimwear and a towel for your child, in a named plastic bag, on their hydro day.

Although the pool is not a swimming pool it is large enough to develop basic water confidence and floating skills.

The activity is not only fun for the children, but offers them the opportunity to practise dressing and washing skills and extend their language skills.

Please fill in the permission slip below and return it to school as soon as possible.

As always, if you have any queries or concerns, please do not hesitate to contact school.

It may not always be possible to let you know beforehand when your child will go in, as we are sometimes able to arrange extra sessions at short notice, and on some occasions sessions will be cancelled due to staff absence.

Hydrotherapy Pool – Permission Slip

Name of Child

I give permission for my child to use the school Hydrotherapy Pool.

My child has ear problems and will need to wear ear plugs Yes No

Signed Date
